

KINGSWAY PRIMARY SCHOOL

LEADING PARENT PARTNERSHIP NEWSLETTER

Our commitment to partnership working is now well established. One of the successes which the partnership has created is the development of:

A programme of events to share learning with your children.

This has included:

- ❖ Class invitations to share knowledge around your child's topic at least termly ie Year 6 Pyramid Challenge
- ❖ Invitations to share with pupils celebrating their own learning ie Year Four clarinet recital
- ❖ Joining in events with your child ie Zumba for Mum and Me
- ❖ Work alongside your child in class in learning - Maths Open Mornings
- ❖ Work alongside your child in class having fun - Easter and Christmas craft mornings
- ❖ Join in After School clubs eg Lads & Literacy / Mums and Maths
- ❖ New this academic year - a chance to have a say in what is learnt - contributing to planning.

Some feedback from these events highlight how valuable parents have found them

My son only joined the school 2 weeks ago so has not had as long to learn the dance but he did an amazing job. Well done. Lovely to see the school teaching children about different cultures. (Y4 Bollywood)

It was really wonderful to be able to see the children working as they do normally rather than the more formal events. T always gets very excited if I can get a chance to come into school to see what he is doing. (Open maths morning)

FAB! Enjoyed spending time with the children in class. Children were very focussed and organised despite presence of parents. Good to see how they are being taught in school. (Y2 Easter)

I found this lesson very interesting to see the input from the children and how involved they were. My son very much enjoyed this and for me to be able to join in. Thanks (Y6 Healthy Eating)
