## **Home Link Letter**

## Home link activities

Termly activities will be sent at the beginning of each half term and collected back in at the end of the term (please see the return date on the attached Activity Sheet). This half term your child will have 6 activities to choose from, with an expectation to complete at least 4 (of course we welcome the completion of more if your child wishes! ©). On the reverse of the Activity Sheet there is space to make comments relating to the activities.

## Home-School communication

Class Dojo

Please feel free to keep in touch with us via Class Dojo. We endeavour to respond within 24 hours.

## Tapestry (Online Learning Journal)

Please check into your child's Tapestry account regularly to see what they have been learning. It's an ideal time to sit together and share the aspects your child has found enjoyable or interesting or challenging. Please add a comment to include your child's valuable thoughts too;)

Thank you, The EYFS Team
