

Newly qualified teacher (NQT) policy

Kingsway Primary School

Governor Committee Responsible:	Standards and Achievement	Staff Lead:	Lisa Smith
Status	Non-statutory	Review Cycle	Two years
Last Review	March 2020	Next Review Date	March 2021

1. Aims

The school aims to:

- Run an NQT induction programme that meets all the statutory requirements
- Provide NQTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Ensure all staff understand their role in the induction programme

2. Legislation and statutory guidance

This policy is based on the Department for Education's statutory guidance [Induction for Newly Qualified Teachers \(England\)](#) and [The Education \(Induction Arrangements for School Teachers\) \(England\) Regulations 2012](#).

The 'relevant standards' referred to below are the [Teachers' Standards](#).

3. The induction programme

For a full-time NQT, the induction programme will typically last for a single academic year. Part-time NQTs will serve a full-time equivalent.

The programme is quality assured by Gloucestershire Local Authority our 'appropriate body'.

Each NQT will:

- Be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period
- Have an appointed induction tutor, who will assess and oversee the induction process and a mentor who will support the NQT on a day to day basis; both will have Qualified Teacher Status with the tutor being a member of the Senior Leadership Team
- Have a reduced timetable to allow them to undertake activities in their induction programme, with no more than 90% of the timetable of our existing teachers on the main pay range
- Regularly teach the same class or classes
- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional non-teaching responsibilities without appropriate preparation and support
- Not have unreasonable demands made upon them
- Not normally teach outside the age range and/or subjects they have been employed to teach
- Not be presented with unreasonably demanding pupil discipline problems on a day-to-day basis

Support for NQTs

We support NQTs with:

- Their mentor who will offer day to day peer support
- Their designated induction tutor, who will provide monitoring and support, and co-ordinate their assessments
- Observations of their teaching at regular intervals with follow-up discussions and constructive feedback
- Regular professional reviews of their progress, to take place at which we will review their objectives and revise them in relation to the relevant teaching standards and their current needs and strengths
- Chances to observe experienced teachers, either within the school or at another school with effective practice
- The opportunity to plan alongside a more experienced member of staff
- Any other in-house or external training or support that is needed to support their day to day practice.
- The opportunity to attend courses aimed specifically at NQTs as part of the GCC and GSP (Gloucester Schools Partnership Programme)

Assessments of NQT performance

Formal assessment meetings will take place on a termly basis carried out by the NQT tutor and/or the headteacher.

These meetings will be informed by clear and transparent evidence gathered during the preceding assessment period, and drawn from the NQT's work as a teacher and from their induction programme. Copies of the evidence relied on will be provided to the NQT and the appropriate body.

After these meetings, formal assessment reports will be completed that clearly show how the NQT is performing against the relevant teaching standards.

At the end of the programme, NQTs will take part in a final formal assessment meeting. The outcomes of this meeting will be used by the headteacher to decide whether the NQT's performance is satisfactory against the relevant standards. The decision will be written up in a final assessment form.

The NQT can add their own comments to this final form.

The form will then be sent to the Gloucestershire Country Council, who will make the final decision on whether the NQT has passed their induction period.

At-risk procedures

If it becomes clear the NQT is not making sufficient progress, additional monitoring and support measures must be put in place immediately, meaning:

- Areas in which improvement is needed are identified
- Appropriate objectives are set to guide the NQT towards satisfactory performance
- An effective support programme is put in place to help the NQT improve their performance

If there are still concerns about the NQT's progress at their next formal assessment, so long as it is not the final assessment, the headteacher will discuss this with the NQT, updating objectives as necessary and giving details of the improvement plan for the next assessment period.
